

MetalForming Magazine Presents the

2024 INDUSTRY 4.0 FORUM AND ERP SHOOTOUT

August 13-14, 2024 | Cleveland, OH

On August 13-14, MetalForming magazine and the Precision Metalforming Association (PMA) host an informative forum on Industry 4.0 applications for metal formers and fabricators, and a tour of some of the industry's leading enterprise-resource-planning (ERP) software systems. The program is designed for executives, engineers and IT professionals working at small to mid-sized manufacturing companies.

The **2024 Industry 4.0 Forum** and **ERP Shootout** takes place at the headquarters of the Precision Metalforming Association, in Independence (Cleveland), OH. This year's event promises to educate attendees on Industry 4.0 technology for small to mid-sized metal formers, and deliver new and enhanced information to help those companies in the market to purchase new ERP software, or those that want to learn how to maximize the software currently in use. The event features educational presentations from Industry 4.0 and ERP subject matter experts; ERP software demonstrations from leading suppliers; and a roundtable discussion to address attendees' questions.
