- Spring Back Compensation

2025 SPONSORSHIP PACKAGES

The Stamping Technology Webinar Series, conducted in Spanish, will arm senior Mexico business leaders and their key technical staff in Mexican stamping facilities with the most current information on numerous technology trends in the metal forming industry.

PMA and *MetalForming Mexico* magazine are pleased to team up to help metal formers leverage growth in the Mexico market by hosting this webinar series, beginning on April 1, 2025 and ending on April 10, 2025. Topics include best practices for pressroom automation and maintenance; tool and die maintenance; spring back compensation; lubrication and servo press technology. The sessions, conducted in Spanish, will benefit company executives as well as engineers, technicians and operators.
