

MetalForming Magazine presents the

2025 INDUSTRY 4.0 FORUM AND ERP SHOOTOUT

July 16-17, 2025 | Chicago, IL

MetalForming magazine and the Precision Metalforming Association (PMA) host an informative forum on Industry 4.0 applications for metal formers and fabricators, and a tour of some of the industry's leading enterprise-resource-planning (ERP) software systems. The program is designed for executives, engineers and IT professionals working at small to midsized manufacturing companies.

The **2025 Industry 4.0 Forum** and **ERP Shootout** takes place at the Amada America, Inc. Schaumburg Solution Center in Schaumburg (Chicago), IL. This year's event promises to deliver new information to help manufacturers purchase new ERP software, or learn how to maximize the software currently in use. The event features educational presentations from Industry 4.0 and ERP subject-matter experts; ERP software demonstrations from leading suppliers; and a roundtable discussion to address attendees' questions.
