

September 28, 2017 | Milwaukee, WI

The Reshoring Initiative, in conjunction with the Precision Metalforming Association, is looking to recognize companies for successful reshoring projects. There will be one award for buyers and one award for suppliers. Companies do not need to be members of PMA and all responses will be kept confidential.

WHAT IS THE RESHORING INITIATIVE AWARD?

Enter to win the **Reshoring Initiative Award**, presented at Sourcing Solutions™ on September 28, 2017 in Milwaukee, WI.

There will be one award for **buyers** and one award for **suppliers**. Award criteria are:

1. Number of U.S. jobs created
2. Dollars/year of sales reshored
3. Product innovation
4. Process innovation
5. Completeness of application
6. Bonus points will be awarded to PMA and NTMA members and Sourcing Solutions attendees.

Award winners will receive the following recognition:

- At the Sourcing Solutions luncheon where they will have an opportunity to deliver a 5-10 minute presentations of the projects
- On the Reshoring Initiative website, blog and 12,000 circulation e-Newsletter
- In MetalForming magazine
- In the Sourcing Connections Quarterly
- Via a broad national press release

TAKE A FEW MINUTES AND ENTER TO WIN TODAY!
