

METAL AND TOOL STAMPING & DIE CONFERENCE

NOW INCLUDING LUBRICATION TECHNOLOGY

January 26, 2021
 January 28, 2021
 February 2, 2021
 February 4, 2021

A Virtual Event

NEW for 2021, the Metal Stamping and Tool & Die Conference is adding lubrication technology to the event! The conference, produced by the Precision Metalforming Association and *MetalForming* magazine, in partnership with the Society of Tribologists and Lubrication Engineers, will feature keynote presentations and breakout educational sessions on stamping, tool and die, and lubrication.
