

3D METAL PRINTING EXPERIENCE

June 7-8, 2022 | WEBINAR SERIES

3D Metal Printing Experience attendees will interact with industry experts, evaluate the latest technology developments for 3D metal printing and learn about case-study applications for 3D metal printing.

As a sponsor, you will have access to a targeted group of engineers, manufacturing executives and plant-floor leaders who are interested in learning more about 3D metal-printing equipment and how it can be used for prototyping and production applications in aerospace, automotive, medical and other manufacturing segments.
