

# Hot Stamping Experience and Tech Tour

November 29-30, 2022  
Detroit (Novi), MI

*MetalForming* magazine and the Precision Metalforming Association are proud to deliver this one-of-a-kind event that provides a unique opportunity to dive deeply into the ever-expanding world of hot stamping. Gaining popularity among automotive OEMs and Tier suppliers, as well as other industries, hot stamping is becoming a go-to process for the production of lighter and safer vehicles.

In addition to the timely and impactful presentations, attendees will view hot stamping in action at the GNS North America facility.
